Accelerated Degree Pathways

Online Application

INTRODUCING A NEW ONLINE APPLICATION

The **newly redesigned** online application facilitates a quick and smooth transition to the **Combined/4+1 admission process**. No hardcopy application required!

WHO HAS ACCESS?

Students with a minimum FIU 3.2 GPA and 75 credits completed will have access to the Combined/4+1 application through their [FIU Student Portal](#). The link is available by navigating to the [Admissions Tile](#) on the student dashboard.

The new online Accelerated Degree Pathways application may be completed in

5 easy steps!

1 CONTACT INFORMATION

First, students can verify their **contact information** and make changes.

This section also provides the **admission requirements** in order to continue the application.

Step 1 of 4: Contact Info

Accelerated degree pathways include both combined degree and 4+1 degree pathways whereby highly qualified undergraduate students are admitted into a master's program [either in the same field (combined) or different field (4+1)]. To be considered for admissions to an accelerated degree pathway, students must have no fewer than 75 credits completed towards their Bachelor's degree and must meet all other admissions criteria for the graduate degree program.

Step 2 of 4: Program Info

I am applying to the Accelerated Bachelor's/Master's Degree Pathway and beginning in the semester indicated below.

NOTE: I understand that if the Master's program to which I am applying requires a GRE/GMAT and/or additional requirements, I must submit those scores and/or documents prior to being considered for admissions.

Expected Grad Term from current program Fall Term 2020

Combined Program Combined BA/MPH PSY/HPM

Beginning Semester [1211] Spring 2021 (Jan-Apr)

2 PROGRAM SELECTION

Next, they have the option to select the **Accelerated Bachelor's/Master's Degree Pathway of interest**, **expected graduation term**, and **start term** for the program.

A disclaimer is included specifying that other requirements, such as test scores and FIU GPA, may be required to be considered for admission, depending on the program of their choice.

3

APPLICATION PAYMENT

In this section, they have the option to select the method of payment and submit the **\$30 application fee**. Students may opt to pay now or pay later.
